**Background:**

This briefing was requested by the Commission as a follow-up to the Johnson/Debay's Slough Game Reserve agenda item that was presented during the August 9, 2008 Commission meeting in Lynnwood. At that meeting, the Commission amended the boundary description for the Johnson/Debay's Slough Game Reserve as a one-year interim measure. The Commission directed the Department to discuss the accuracy of the boundary description, posting of the boundary, and potential land exchanges with landowners who have property within the current reserve. Staff will report on the meeting and the discussions about changes in the reserve boundary.
